

Tips for Getting to Toronto Ribfest 2017

Location:

A map of our location is on the home page of the online registration form. When you arrive at the park, please **go directly to the Volunteer Centre**, which is marked by the locator Icon on the map.

To get to the Volunteer Centre walk north on Centennial Park Road, which runs along the East side of the park. Watch for signs to the Centre. You may be asked for proof that you are a volunteer, so we recommend you print off your schedule and bring it with you.

Transportation:

We *strongly* encourage you to get dropped off, take TTC or carpool. There is parking but it is not always close to the site. Information about how to reach us via TTC is on the home page of the online registration form.

Getting dropped off/picked up: Please **do not drive into the park** if you are being dropped off. This causes unnecessary traffic and confusion and there is no place to turn around. We recommend being dropped off in front of Hollycrest Middle School at 630 Renforth Drive. Then simply walk through the school property to Centennial Park Road and turn right. For pick up at the end of shifts, please return to the same location in front of Hollycrest.

By TTC: If you click on the map provided as part of the registration you will be able to access information about how to best reach us by TTC.

From the corner of Rathburn and Renforth, walk West along Rathburn [away from Renforth]. Just before Seneca School you will come to Centennial Park Road. From here follow the directions under the Location section above. From Eglinton and Renforth, walk South on Renforth to Hollycrest Middle School, turn right and cut through the school to reach Centennial Park Road. Turn right and follow the directions under the Location section above.

By car: The address is 256 Centennial Park Road. Parking is free but fills up quickly. Check the Location tab on our website and enlarge to understand the park and its layout, or use Google maps or Mapquest to explore the area and possible parking site [schools, churches, etc.] **Important:** during the event access to the park will be from Rathburn Rd. only. We are exploring additional parking options so watch the our website/Facebook page for updates.

Curb parking is allowed on both sides of Centennial Park Boulevard. If you park past the Go Cart lot it is a 10 or 15 minute walk around the North side of the ski hill. Enter through the North Entrance and walk through the park. The Volunteer Centre will be about half way down on your left. Ask for directions when you reach the Rotary Kiosk.

By Taxi: Taxi's entering the grounds will experience traffic and have difficulty turning around. We recommend getting dropped off at Hollycrest School and walking through the school playground to Centennial Park Rd. Turn right and follow Location instructions above.

Evening Shifts: We have arranged to have taxi service available near the Volunteer Centre at 11 p.m.

At the end of the evening shift [7-11 p.m.] we will make arrangements for those who wish to be accompanied to their pick up spot at Hollycrest School, to their bus stop or to their parked car. Requests should be made at the Volunteer Centre when registering.
